2. He suggested requesting donations for the scholarships from our Lifetime Members by asking them to contribute to the "Oregon Counseling Foundation," which is a 501(c) 3 non-profit. This is useful to those who donate because they can write off any contributions they make.

1. Ryan led the discussion about conducting a membership survey to determine what ORCA members want from their association.
2. There was a suggestion that the survey include various categories of ORCA members such as graduate students, counselors working in agencies, counselors in private practice, as well as others.

1. Roy Huggins, Emily Kolibaba, and Raina Hassan attended the Western Region Conference Leadership Training the weekend of November 15th in Seattle, Washington. 2. Roy noted that the Western Region Conference infrastructure is growing and improving.
3. He also reported that he gave a presentation on the topic of how to webcasts which was well received by the attendees of the conference.
